**Low-income** students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

**Limited-English-proficient** students are those students eligible for transitional bilingual programs.

**Mobility rate** is based on the number of times students enroll in or leave a school during the school year.

**Chronic truants** are students who are absent from school without valid cause for 18 or more of the last 180 school days.

## SCHOOL DISTRICT FINANCES

### TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided. Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated. Total school tax rate is a district's total tax rate as it appears on local property tax bills. Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils. Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## ACADEMIC PERFORMANCE

The number and percent of students taking the ACT are no longer reported since virtually every eleventh grade student takes the ACT as part of the PSAE.

\* Includes graduating students' most recent ACT Assessment scores from an ACT national test date or PSAE testing. Excludes the scores of students who took the test with special accommodations. State averages for ACT data are based on regular public schools and do not include private and special purpose schools.

## OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

### OVERALL PERFORMANCE - ALL STATE TESTS

### OVERALL PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) PERFORMANCE

**PSAE PERFORMANCE**

These charts provide information on attainment of the Illinois Learning Standards. They show the average scores and also the percents of student scores meeting or exceeding standards in reading, mathematics, and science on PSAE.

**PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Average Scores**

PSAE scores range from 120 to 200.

**PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE) - Percents Meeting or Exceeding Standards**

Number of students in this school with PSAE scores in 2009: 1,086

**PERFORMANCE ON STATE ASSESSMENTS**

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

**PRAIRIE STATE ACHIEVEMENT EXAMINATION (PSAE)**

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

**Four Conditions Are Required For Making Adequate Yearly Progress (AYP):**

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. \*\*\*
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

\* Includes only students enrolled as of 05/01/2008.

\*\* Safe Harbor Targets of 70.0% or above are not printed.

\*\*\* Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

# **Adlai E. Stevenson High School**

## **Goals, Projects, & Initiatives**

### **2009 – 2010**

#### **GOALS**

1. All students will meet or exceed the proficiency standards established by the state of Illinois for the Prairie State Exam prior to graduation with ninety percent meeting or exceeding proficiency standards in each subtest area on the Prairie State Exam during their junior year.
2. The composite score on the ACT exam for the graduating class will continue to increase to at least 26.0.
3. The percentage of students in each graduating class who will complete a college-level course (AP, dual credit, and articulated credit courses) will increase each year.
4. The percentage of students in each graduating class who perform at the high level, as measured by the District's social/emotional learning instrument, will increase each year.

#### **PROJECTS**

1. We will transition student services and special education document management to more fully utilize our new student information system.
2. We will complete the third phase of implementation of the District's data warehouse and develop an action plan for integration and use across the District's programs.
3. We will develop and facilitate the implementation of a Response to Intervention (RtI) model.
4. We will develop and implement an assessment model to utilize Measures of Academic Progress (MAP), Explore, Plan assessments to inform curriculum team decision-making and improve student achievement.
5. We will develop and implement an action plan for revising the Adlai E. Stevenson High School Vision and Values Statement.

## **INITIATIVES**

1. We will continue integration of reading initiatives across all divisions by focusing on essential skills and strategies that foster comprehension.
2. We will continue to provide training, support, and focus for curriculum teams and their use of Lesson Study, Descriptive Review and similar research-based, collaborative protocols
3. We will develop programs to ensure equity within the curriculum and school environment.
4. We will support each team's development, implementation, and analysis of formative assessment data in order to facilitate student learning and support our Response-to-Intervention program.
5. We will implement the recommendations for short and long-range campus improvement plans.
6. We will evaluate our long-term financial plan and determine how we will maintain quality and fiscally responsible programs.
7. We will implement the recommendations for short and long-range technology improvement plans.
8. We will continue to develop and implement green initiatives that will reduce our carbon footprint, enhance preservation of natural resources, and create life-long learning opportunities for students and adults.
9. We will monitor each division's community engagement initiatives and provide training, support, and resources for strengthening the District's outreach to the Stevenson community.
